BEFORE STARTING YOUR DESIGN...

Review our artwork requirements:

info.roastar.com/setupguide-fb

Add a disposal logo to your design to assist with proper disposal of this package:

info.roastar.com/notyet

PANEL #2

SIDE

3.125"W × 9.5"H

Bleed

Any color or graphics that stop at the edge of the document must extend into the 'bleed area', 1/16" past the trim on all sides.

Fold

Where the bag will fold.

Trim

Where the bag will be cut to its final size.

Safe Area

Important text and graphics must remain inside the green lines to avoid being trimmed or folded.

Cut Tolerance

There can be a slight variation in where the bag is cut due to our tolerance of movement throughout the production run.

Heat Seal

Where the edges are bonded together using heat and pressure to create an airtight and secure seal. You can extend color into this area but some color variation could occur.

PANEL #3

TIN TIE

ZIPPER

FRONT OR BACK

5.25”W × 9.5”H

VALVE

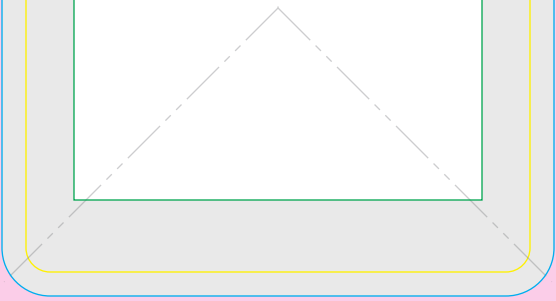
THIS PANEL CONTAINS THE ZIPPER/TIN TIE AND VALVE.

These features can be removed, but cannot be placed on any other panel. Whichever side you want the features to appear on, front or back, those are the graphics that should be placed on Panel #3.

PANEL #4

SIDE

3.125”W × 9.5”H



SO# 000000

PANEL #5

BOTTOM

5.25”W × 3.125”H
